

Mill St. Bridge Closing

June 30, 2015

We have just been informed that the bridge on Mill Street will be closed starting Tuesday, July 7, 2015.

As we are provided more details regarding how long it will be closed for repairs, we will forward this on to our residents. Please look for updates in the Post Office, bank, and web site (www.candorvillage.com).

We hope you have a happy and safe July 4 weekend!
