Public Hearing: Mayor Halsted opened the Public Hearing for the sidewalks project at 6:30 PM. Mayor Halstead gave a brief explanation of the project and explained that the Village of Candor is applying for a grant to help pay for this project. The sidewalk project qualifies for CHIPS funding, so we will be using CHIPS to help pay the Village portion. Mayor Halstead stated that he will talk to NYSDOT about extending the sidewalks on Rte.96B by the cemetery because we had some complaints about kids walking to school without any sidewalks last winter. Mayor Halstead stated that the Village is going to have to get permission from the residents before work can be done. If the resident wants the sidewalk work done, they will be responsible for paying half the cost of the sidewalk work done located by the resident's property. Florence Alpert stated that she came to the meeting to see what the sidewalk project was about. Florence Alpert inquired about the current Sidewalk Law & wanted to know if there needed to be any changes to the current law. The Village Attorney stated that he would revisit the law and make sure the project is within the law. Florence Alpert stated that she is concerned for the safety of the kids & adults that do not use sidewalks.

Mayor Halstead closed the Public Hearing at 6:41 PM.

Respectfully submitted,

Jennifer Bennett
