- ✓ hit "subscribe"

You'll get a notification every time something new is posted to the site.

NEW WATER BILLING PROCESS ~ Starting February 2020

December 2019 is the last water bill you'll receive in the current format. Beginning with your next water bill (which you'll receive in February 2020) the Village will start using a two-part postcard. This will contain the same information you currently receive, just on a postcard instead of paper format.

Your payment will continue to be accepted in the forms we now use. If you have any questions when your new postcard water bill is received, please call the office (607.659.7966).

Sidewalk Clearing Assistance

You may or may not have already seen our new piece of equipment motoring up and down your sidewalk. Our DPW department is helping to keep your sidewalks clear so our children have "safe routes to school" in the mornings.

Village property owners are still responsible for the care and maintenance of the sidewalk in front of their property. If you notice your sidewalk needs attention and we haven't cleared the snow yet, please take care of it. Remember, we're just helping out!

The Village DPW will clear snow only in the morning and only when there is school attendance; no holidays or weekends.

BRUSH PICK-UP Reminder

January 14 & 28, 2020

**Remember
the Rules for the "Road"**

These dates are for
any brush you may still have
~~ or ~~
UNDECORATED holiday trees
